Venue:**OU Aquatics Center**

Home of the Golden Grizzlies

Opened in 1998, the OU Aquatic Center has quickly earned a reputation as one of the finest of its kind, as, in addition to being the home pool of Oakland University, the state-of-the-art aquatics center often plays host to state and regional meets.

Oakland is a frequent host of The Summit League Swimming and Diving Championship.

The natatorium houses a 50-meter stretch pool with spectator seating for 1,000 and deck space for 600 participants. The pool itself has two bulkheads, which allow a configuration for concurrent swimming and diving. Swimming competition takes place within ten 25-yard lanes, with additional lanes available for warming up. The depth of the pool extends from approximately nine feet at start end to six feet, eight inches at turn end. The system for meet operation is a Colorado System VI with Hytek Meet Manager and Colorado scoreboard.

Oakland University
OU Aquatic Center
2200 N Squirrel Rd, Rochester, MI 48309

The OU Aquatic Center will be setup as a ten-lane, twenty-five yard competition pool with Colorado timing and full video display.

The competition course has been certified in accordance with 104.2.2C(4). The copy of such certification is on file with USA Swimming. Due to moveable bulkheads, the course will be re-certified prior to and following each session. Water depth is greater than 7ft. from the starting blocks at both ends of the pool.

“Use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms or locker rooms” in accordance with USA Swimming Rule 202.4.14 (effective January 1, 2012).

- Personal checks will be accepted if a YMCA check is not available.
- Once your entry has been accepted you are responsible for payment of entry fees – even if you do not attend the meet.
- Checks will be cashed by March 31, 2015. Checks that are returned for non-sufficient funds will be subject to a \$50 returned check fee.
- Entry Fees not received by May 1 will be considered overdue. The overdue penalty is a payment of your normal entry fee payable to the Great Lakes Zone Swim committee, and a payment of your full entry fees plus a \$25 penalty payable to the host. Entry Limits:

A swimmer may enter a total of three (3) individual events (age group & senior) and one (1) age group relay event each day. Senior Relays are unlimited. There is no limit on the number of entries a team may have in each event provided the time standard has been met. Swim-ups are not allowed for individual events.

Teams who submit entries that violate the above entry limits would be notified that they must make a change. The team has until noon Tuesday March 17, 2015 to make the changes. If the matter is not addressed, then the swimmer is automatically dropped from the offending event. Psych would not be posted until corrections are made.

Relay Entries:

Relay teams must be designated TEAM A, TEAM B, etc.

An age group relay must consist of at least one swimmer from that specific age group. Younger swimmers may move up one age group to fill that relay. This will count as one age group relay for the day.

Relay Only Athletes:

All swimmers must be entered on the Team Manager file, including relay only swimmers. You can either enter them in the relays they will swim as one of the 4 or as an alternate. Relay names can be changed at the meet.

NOTE: Right clicking and designating swimmers as relay only does not carry over with the online entry system.

Relay only swimmers added at the meet will be CHARGED A \$10 FEE.

Entries:

Only Hy-Tek Team Manager (or equivalent) entries will be accepted via the web link. The entry file submission must represent the entire set of entries for a team, as web entry process does NOT process additions – the entire entry file is replaced.

Team Manager Lite is a free entry software tool, which can be obtained if you do not have Team Manager. Contact Hy-Tek at www.hy-tek ltd.com for a copy of Team Manager Lite. Deck entries or changes to entries after the entry deadline will not be accepted.

Online entries will require the submission of the swimmer birth date.

Exception:

A swimmer, who has not been properly entered or incorrectly entered by fault of the host's meet entry chairperson, may be properly placed in the appropriate events.

Exception:

A swimmer, otherwise qualified, who was mistakenly not entered by his/her entry chairperson, may be deck entered up to 24 hours before the beginning of the meet, provided he/she pay the appropriate entry fee plus a \$50.00 processing charge (per event) to the meet host. The swimmer will be entered in an open lane, if available. The event will not be reseeded.

Entry Times:

December 1, 2014 will determine the age of the swimmer at the meet.

All entry times must be actual times; yards, short course meters, or long course meters, in hundredths of seconds. Times must be achieved from March 1, 2014 up to the entry deadline.

Do not convert entry times. Non-conforming times will be seeded last.

Positive Check-In:

There will be positive check-in for the 1,000 Freestyle and 1,650 Freestyle events. The sheets will be near the scorer's table.

Seeding:

All events (except the 1000 and 1650) will be seeded in advance of the meet. Should a swimmer need special consideration in seeding, please send a note to the meet hosts separate from your entry file. We will do our best to accommodate hearing-impaired swimmers and seed them near the starter.

The 800 Freestyle relay will compete after the completion of all heats of the 500 Freestyle. The 500, 1000 and 1650 Freestyle will be seeded fastest to slowest and alternating heats of girls and boys.

Admissions:

Spectator admission fee is \$5 per person, per session. Weekend pass can be purchased for \$15. "All session" passes will be available at a discounted rate. Athletes, properly certified coaches and pre-registered volunteers will not have to pay admission.

Heat Sheets:

\$5.00 per session will be available at the admissions table located on level 3 of the Aquatics Center.

Final Results:

Results will be posted in two locations: Pool deck level – spectator side of the pool deck in front of the dive well. Spectator level – balcony located on the dive well side of the pool. All results will be considered final thirty (30) minutes after posting. Real-time results will be available at www.glzyswim.org/zones2015 and through Meet Mobile.

Meet apparel will be sold at the meet only.
